

The Industry's Highest Resale Value

The Butler System has always maintained the highest resale value in the industry. Customer's used machines are always in demand and our factory "reconditioned" machines usually sell within days (or hours) of being listed.

The Butler Corporation is the only manufacturer to provide a **10-YEAR WARRANTY** on new machines, a **ONE YEAR WARRANTY** on factory "reconditioned" machines and a **BUY-BACK GUARANTEE** on all our machines 15 years old or newer. We are also the only manufacturer in the industry to inventory replacement parts, ready to ship the same day directly to our customers, for every Butler System manufactured in the last 20-plus years.

Please call us at **800.535.5025** or visit our website **butlersystem.com** for more information.
