Introducing Our New Aluminum Equipment Shroud, Storage Tray & Utility Container

The Butler Corporation is pleased to announce that our new three (3) piece lightweight Equipment Shroud is now included on all new Butler Systems. The redesigned shroud is constructed of durable light weight aluminum, powder coated satin black and features a convenient storage tray and utility container. The new, easy to remove three (3) piece design provides convenient access to serviceable components with out the use of tools.

Note: The Equipment Shroud for trucks and cube vans are designed specifically for each model and may or may not incorporate the storage tray or utility container.

Please call us at **800.535.5025** or visit our website butlersystem.com for more information.
