## Introducing Our New Redesigned Butler Stair Tool

The Butler Corporation is pleased to announce that our new redesigned Butler Stair Tool is now included with all new Butler Systems. The new redesigned tool provides for a more comfortable upright working position and features a 2' long handle with a "soft-padded" cuff, an ergonomic extended "T" handle with a "soft-padded" cuff, a shielded jet to minimize overspray, a brass quick disconnect with "heat-protective" sleeve and a new vinyl coated "light-touch" on/off trigger. This new tool is compatible with all Truckmounts and Portable Extraction machines.

For full details, visit the new Redesigned Stair Tool on our website at
