

American Quality, Value & Service Since 1980

The Industry's Only Factory Direct Sales, Service and Support

The Butler Corporation is a family-owned American business providing factory direct sales, service and support to thousands of professional cleaning and disaster restoration companies since 1980. **Factory direct communication is especially appreciated by customers who operate their businesses in remote locations or where reliable local service is not available.**

Please call us at **800.535.5025** or visit our website **butlersystem.com** for more information.

We are the only manufacturer in the industry to inventory replacement parts, ready to ship the same day directly to our customers, for every Butler System manufactured in the last 20-plus years. When you invest in a Butler System you do so with the assurance and knowledge that you will always receive factory direct sales, service, support and parts.
