## Introducing Our New Redesigned Stair Tool

The Butler Corporation is pleased to announce that our new redesigned Stair Tool is now included with all new Butler Systems. The new redesigned tool provides for a more comfortable upright working position, features a 2' long handle with a "soft-padded" cuff, an ergonomic extended "T" handle with a "soft-padded" cuff, a shielded jet to minimize overspray, a brass quick disconnect with "heat-protective" sleeve and a new vinyl coated "light-touch" on/off trigger. This new tool is compatible with all Truckmounts and Portable Extraction machines.
