NEW!

Introducing Our New Filter Basket!

The Butler Corporation is proud to announce that our new Filter Basket is now available for all new or in-use Butler Systems. The new Filter Basket is constructed with a durable stainless-steel mesh screen and frame to filter debris before the recovered water enters the recovery tank. It is designed for 110, 210-gallon recovery tanks and the Butler In-Line Recovery System. It features a grip handle for easy installation and removal and can be used with or without the Nylon Filter Bag. Fits in a 4 or 5-gallon pail for cleaning and disposal of debris.

Size: 6-1/8" D X 13-1/4" L

NOTE: The adapter Tray that secures the Nylon Filter Bag in the Recovery Tank may have to be replaced with a new Off-Set Filter Adapter Tray. Please contact our Parts and Service Department prior to ordering.

Please call us at **800.535.5025** or visit our website
