## New High Volume Automatic Pump-Out System

The Butler Corporation is pleased to announce that our new High Volume Automatic Pump-Out System is now available for all cube vans and trucks, at the time of order. The new High Volume Pump-Out System pumps recovered water from either the 110 or 210-gallon Recovery Tank at a flow rate of approximately 15 gallons per minute. Ideal for residential, commercial and restoration cleaning.

Please call us at **800.535.5025** or visit our website  
**butlersystem.com** for more information.
