Take Advantage of the New IRC Section 179 Tax Deduction

**There has never been a better time to invest
in a new or pre-owned Butler System!**

Thanks to recent changes to IRC Section 179,
you may be eligible to deduct 100% of the
purchase price of new or pre-owned Butler
Systems and vehicles.

By utilizing the new Section 179 tax deduction,
you could deduct the entire cost of new or pre-
owned equipment—up to \$1,250,000—from
your gross income. This enables you to acquire
newer equipment and vehicles, decrease your
taxable income, and reduce your tax liability.

**For more IRC 179 information
see the Internal Revenue Service
website [IRS.gov](https://www.irs.gov).**

*See Warranty Booklet for complete details and limitations.
